Hello Respite Families,

Thank you for your continued support of our program. Please be aware that:

- **Campers that receive funding** - Please register for each session at least 3 weeks prior to the session to ensure that the funding has been pre-authorized for us to bill.
- Registration closes on Friday the week before the session at noon
- Any camper whom has not attended our program within 6 months, will require an ISP review prior to attendance.
- Any camper who has not attended our Respite program in a year or more will need to go through the review/approval process again. This includes being added to the waitlist as needed due to current registrations/capacities.
- It is important that we have accurate camper numbers for activity fees, food, and staffing. Just a reminder that private pay fees will be non-refundable for any cancelations within 2 weeks of the session.
- Campers must bring original bottles for all medication. Campers must also have an updated MARS form with them at drop-off.

Thanks to a donation from Connor's Hope Foundation, we are able to provide financial assistance for private pay portion of sessions. If you are interested, please fill out the financial assistance paperwork on you online account to see if you qualify.
