# Summer Is Calling... and We're Ready!

The countdown is ON, and we can practically hear the campfire crackling and the laughter echoing through the trees. Summer is right around the corner, and we could not be more excited!

Our cabins are filling fast, and we're already 75% full for summer registration! If you haven't signed up yet, now's the time to grab your spot before it's gone. It's shaping up to be one of our biggest and best summers yet!

But before we dive into sunshine and s'mores, the spring has kept us on our toes in the best way possible. In April, we welcomed 22 incredible groups to camp, with nearly 1,300 guests joining us for retreats, programs, and outdoor adventures. Camp is already buzzing with energy, and it's just a preview of what's to come.

Behind the scenes, we've been gearing up with an amazing summer staff team who are ready to bring the magic to life. From leading activities to creating unforgettable moments, this group is something special, and we can't wait for you to meet them.

So here's to new friendships, late-night laughs, sunny days, and a summer full of adventure. We're counting down the days until camp is in full swing... and we hope you are too!

See you at camp soon!

## 2026 THEME: ROOTED IN....

Each year, Camp Christopher adopts an annual theme rooted in our Catholic faith. The theme guides our programs and supports campers' spiritual, social, and personal growth throughout the season.

This summer, our theme "Rooted In..." is a celebration of how God strengthens, grounds, and connects us to one another at Camp Christopher. Similar to the trees here at camp, we are planted into the ground, anchored in our faith and values. Our roots grow deep into the ground helping us grow, and our roots spread wide through our relationships with others, establishing a strong foundation. Lastly, our branches also reach upward like a tree toward God, helping us live out our faith in action.

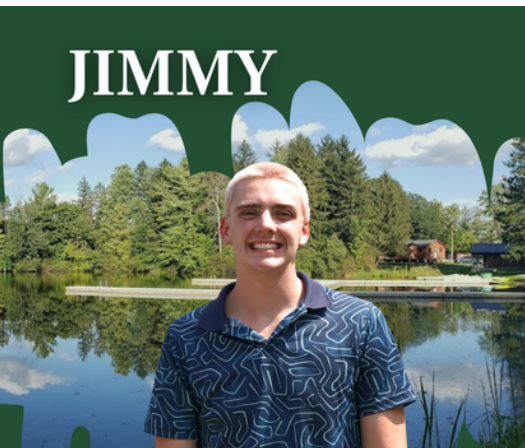

Together, those directions form the shape of a cross, reminding us that personal and spiritual growth integrates many aspects of our lives. Our hope is that by being part of the Camp Christopher community, campers can develop a strong and steady foundation of servant leadership. By allowing campers opportunities to identify and reflect on values, we hope to deepen their understanding through intentional activities during the week.
