Hello Respite Families,

Thank you for your continued support of our program. Please be aware that:

- Any camper whom has not attended our program within 6 months, will require an ISP review prior to attendance.
- Any camper who has not attended our program within a year, will be placed back on the waitlist **at your request**, for review.
- It is important that we have accurate camper numbers for activity fees, food, and staffing. As we enter into 2024, private pay fees will be non-refundable for any cancelations within 2 weeks of the session.
- Campers must bring original bottles for all medication. Campers must also have an updated MARS form with them at drop-off.

Thanks to a campership donation from Connor’s Hope Foundation, we are able to provide financial assistance for private pay portion of sessions. If you are interested, please fill out the financial assistance paperwork on your online account to see if you qualify.
